TOWANDA AREA SCHOOL DISTRICT EDUCATION FOUNDATION

2021

TASD Foundation Scholarship Recipients 2020-2021

2021 Towanda Educational Foundation scholarship recipients

As part of the Foundation's mission to help support our schools, scholarships have been set up to be awarded to seniors who display a high level of character and citizenship. This year's

recipients of the Towanda Area School District Education Foundation Scholarships were:

GTP Math/Science Awards

~ *Adrien Wetherbee* - United States Army

~ *Steel Hartmann* - United States Army

McCarthy Family Scholarship

~ *DaLanie Pepper* - Northern Tier Career Center, Practical Nursing Program

Kelly Laderer Memorial Award

~ *Amanda Horton* - Eastern Kentucky University, Nursing

The DuPont Sciences, Engineering & Mathematics Scholarship

- ~ *Madison Dunn* - United States Navy
- ~ *Elizabeth Matera* - Lackawanna College, Pre-Allied Health
- ~ *Enzo Ottaviani* - Bucknell University, Biomedical Engineering
- ~ *John Schoonover* - Virginia Polytechnic & State University, Engineering
- ~ *Adrien Wetherbee* - United States Army

Save the Date... 5th Annual Elimination Party - October 9, 2021

The Towanda Area School District Education Foundation presents the 5th Annual Elimination Party. Join us Saturday, October 9, 2021, for our 5th Annual Elimination Party to be held at The Towanda Gun Club. Tickets are \$100 and only 100 tickets will be sold. Purchase of a ticket entitles you and a guest to heavy appetizers and drinks as well as enters you into our drawing for:

- **Grand Prize: \$2,000**
- **2nd Place: \$1,000**
- **3rd Place: \$500**
- **4th Place: \$250**
- **5th Place: \$250**

Please contact Brian Driscoll to purchase a ticket at 570-265-9154 or foundation@tsd.k12.pa.us.

Check out the Foundation Facebook Page for more information on this event!

2020 Elimination Party Winners!

Katy Robinson, \$2,000
Emily Huber, \$1,000
Chuck Kellogg, \$500
Mark Gannon, \$250
Brian McLinko, \$250

Thank you to everyone that came out and supported the event.

TASD Foundation Scholarship Recipients 2020-2021 - Continued

Outstanding Student Award

~ *Hannah Dixon* – Marywood University, Nursing

Spirit of the Community Award

~ *Devin Lunn*
~ *Rachel Smith*
~ *Jacob Stiner*

Betty Morris & Joey Herman Scholarship

~ *Jordan Hartmann* – Thomas Jefferson University, Pre-Medical Studies
~ *DeLanie Pepper* – Northern Tier Career Center, Practical Nursing Program

Ryan Hettich Memorial Award

~ *Matthew Mahoney* – Mansfield University, Radiology

The Diane McCarthy Place Education Scholarship

~ *Daisy Bailey* – Bloomsburg University, Business Education

The Naiad Linta Fire Company Scholarship

~ *Emma Walter* – Bloomsburg University, Mass Communications

Epstein Family Scholarship

~ *Enzo Ottaviani* – Bucknell University, Biomedical Engineering/Pre-Med
~ *Chantel Wilcox* – Edinboro University, Nursing

Michele Geiger Haggerty Memorial Scholarship

~ *Allyson Hurley* – West Chester University, Early Grades Preparation PK-4

Karen Oberg Delamater Memorial Scholarship

~ *Mackenna Maynard* – Johnson College, Veterinary Technology

Jeffrey B. Young Memorial Scholarship

~ *Enzo Ottaviani* – Bucknell University, Biomedical Engineering/Pre-Med

~ *Emma Walter* – Bloomsburg University, Mass Communications

Karen Beirne-Getz Scholarship

~ *Daisy Bailey* – Bloomsburg University, Business Education

Mr. McWilliams "Mr. Mac" Memorial Award

~ *Jordan Hartmann* – Thomas Jefferson University, Pre-Medical Studies
~ *Clayton Watkins* – Edinboro University, Electric Utilities Technologies

Calling All THS Alumni

Is your graduating class hosting a reunion this year?

Would you like a school building tour?

The Towanda Area School District Education Foundation would like to connect with you!

Please contact Brian Driscoll at 570-265-9154 or foundation@tsd.k12.pa.us if you know of a contact for any of these missing classes.

Still missing from our alumni database are the following classes:

1950, 1951, 1952, 1956, 1957, 1959, 1964, 1975, 1977, 1985, 1987, 1988, 1990, 1992, 1993, 1994, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005

We would like a mail or email list of your class members. Once in our system, addresses will be kept current and can help in planning your next reunion!

6th Annual Black Knight Bash Virtual Online Auction was a HUGE Success!

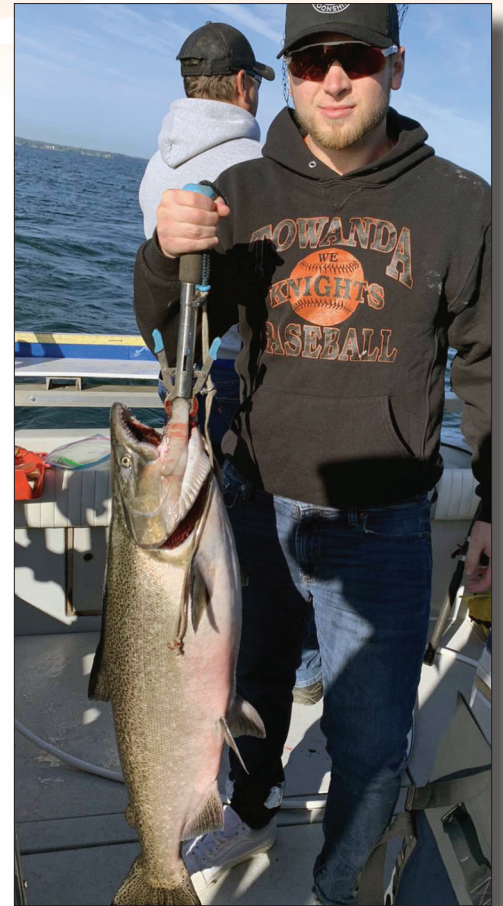

The 2021 Black Knight Bash looked a little different this year. The event was unable to be held in person due to COVID restrictions, but with the guidance of alumni Lynette Stevens Smyth the bash was held virtually and was a success. Participants were able to register online and buy chances for basket raffles or place bids on live auction items. The generosity of the community resulted in over 200 auction items up for bid, raising over \$15,000.

Proceeds from the bash help fund the

Foundation's Venture Grant Program, which is designed to provide teachers with the means to implement their "dream activities" in their classrooms. The grants are competitive and must be innovative and enhance the curriculum. The program was initiated in the 2005/2006 school year and has gained popularity each year with an increase in teachers applying for the grants. Over the past 13 years, the Foundation has funded more than 150 grants, totaling over \$150,000.

Ali and Kristi Hollett enjoy a ride to school in a Fire Truck. Their parents won this experience for them through the Foundation's Black Knight Bash.

Alumni Shane Martin displaying an awesome catch aboard SeaDawg Charters. This fishing experience was won by his family through the Towanda Education Foundation Black Knight Bash.

Camdyn Buford had an exciting day this school year when she got to be Gym Teacher for a Day. Camdyn's parents won this experience through the Black Knight Bash

Extra Recess time + Ice Cream Thanks to Black Knight Bash Winner

Mrs. Evan's first grade class enjoyed an extra recess on a sunny afternoon and got a special treat of ice cream too. Classmate Kamdyn Buford's grandmother won this fun opportunity for her and her entire class at the Towanda Education Foundation Black Knight Bash.

You Shop. Amazon Gives...to the Towanda Education Foundation!

Amazon will donate 0.5% of the price of your eligible purchases to the Towanda Area Education Foundation when you shop at smile.amazon.com. It's the same products, prices, and service! AmazonSmile is the same Amazon you know with the added benefit of supporting charitable organizations. It's a quick and easy one time sign up, then every time you shop a donation will be made. How easy is that!?!?

Venture Grants Awarded Through The Education Foundation

Several teachers, through the Education Foundation, have been awarded Venture grants that will assist in the design and implementation of “dream activities” in their classrooms. Venture grants award the development of innovative and creative educational ideas in the classroom. The grants are very competitive and must enhance the curriculum. The program was initiated in the 2005/2006 school year and has gained popularity each year with an increase in teachers applying for grants each year.

In the 2020/2021 school year, 6 grants were awarded in very diverse areas to the following teachers:

- Mrs. Caitlyn Doerner, High School Business Teacher, & Mrs. Emily Hockenberry, High School English Teacher: Knightly News Filming Set

- Mrs. Rachel Finogle, 1st Grade Teacher, & Miss Kelly Stockholm, 2nd Grade Teacher: School Store for Positive Behavior
 - Mrs. Susan Higley, TAES Principal, on behalf of TAES: Outdoor Classroom
 - Mr. Greg Hughey, 5th Grade Teacher: Civil War Closet
 - Mrs. Jenni Lane, 2nd Grade Teacher, Miss Kelly Stockholm, 2nd Grade Teacher, Amy Savercool, K4 Teacher, Dawn Hart, JAM Principal: Mindfulness Garden
 - Mrs. Jerika Brown, JAM & TAES Guidance Counselor, & Mrs. Macie McClure, JAM Social Worker: Hygiene Station
- In addition, the following programs are funded on an annual basis:
- Elementary Instruments for Economically Disadvantaged

- High School Academic Recognition Night
- High School Schoolttime Youth Series
- A Taste of Indian Culture
- Silver Casting
- Youth Sojourn
- Rachel’s Closet

Each grant recipient may receive up to \$1,000 in funding. The Education Foundation is excited about the creativity being brought to our classrooms and the experiences our students will gain through the implementation of these Foundation funded programs.

Outdoor Classroom

An outdoor classroom for our students has been the vision of principal Susan Higley for years. Research shows that outdoor classrooms improve student achievement, mental, social, and emotional well-being, as well as behavioral and intellectual development. With the onset of the pandemic and encouragement of social distancing, outdoor classrooms can also provide alternative locations for learning to occur and classes to still function successfully. The Towanda Education Foundation was happy to contribute toward making this vision a reality by granting funds through the Teacher Venture Grant Program.

School Store for Positive Behavior

“Positive student behavior support helps educators and parents appreciate good behavior and motivates all students to achieve.”

-PowerSchool

The School Store for Positive Behavior Grant, awarded through the Towanda Education Foundation’s Teacher Venture Grant Program, was used to purchase items for two carts that were utilized at the end of each school week by every classroom in J Andrew Morrow. Students cash in their DOJO points for tangible prizes and other rewards. Students strive every day to follow the 3 Rs by showing Respect to Themselves, Respect to Others, and Respect to Property, and in turn earn DOJO points from faculty and staff. With the addition of the school store cart, an increase in student engagement in making positive behavior choices has been seen in and out of school.

Knightly News Filming Set

The Knightly News Crew has slowly grown from only 7-8 students in 2016 to a bulging classroom of students in 2021! The size of this class is increasing year to year due to the popularity of wanting to be involved with the Knightly News. This year, after receiving the venture grant, we purchased more equipment that would continue to improve the quality of our news broadcast program.

With the money from this year's grant, we purchased a ring light, camera video cage film movie-making kit, blackout curtains, Knightly News Crew/Stream Team Crew t-shirts, tripods, set furniture, and an interview table. All of these items greatly enhance the experience for the students and gives the feel of a true news filming set.

Knightly News is continuing to grow due to the financial help from the Education Foundation Venture Grant program. Without this help, we would not be able to keep improving the quality of our work. The Knightly News Crew would like to thank you all for supporting us!

Mrs. Caitlyn Doerner, HS Business Teacher, & Mrs. Emily Hockenberry, HS English Teacher

Civil War Closet

The Towanda Education Foundation recently awarded the Teacher Venture Grant, Civil War Closet, submitted by 5th Grade Teacher Mr. Greg Hughey. The grant was used to purchase Civil War gear that are replicas of what was used in the Civil War. Mr. Hughey worked with the Regimental Quartermaster in Gettysburg, PA, to help assemble the closet. He has purchased a Union and a Confederate soldier's uniform along with a variety of pouches the soldiers had to carry during the war to hold their rations, ammunition, and gear. Mr. Hughey's goal was to bring the Civil War to life for the kids and to give them a better feel for what a soldier had to endure each day.

Mindfulness Garden

The Mindfulness Garden has been funded by the Towanda Education Foundation through the Teacher Venture Grant Program. The grant has been used to purchase materials for a horseshoe bench that fits 30-35 students, a single bench, rose bushes, flowers, a bronze plaque, as well as miscellaneous garden supplies. This mindfulness garden will be used by classrooms at J. Andrew Morrow and will be honoring Mrs. Karen Beirne-Getz.

Mrs. Karen Beirne-Getz truly believed in the positive impacts of mindfulness and being in nature. One thing she wanted to see happen was the implementation of a mindfulness room within the building. That was able to happen! Another idea she always talked about was having an outdoor space where students and teachers can learn while benefitting from the effects of an open-air setting. The generosity of this grant will help provide just that!

The mindfulness garden will be a shared responsibility between the students at J. Andrew Morrow. Teachers and students can utilize the garden area and/or calm the mind. Also, the students can use this space to learn about gardening and the process of taking care of a variety of flowers and rose bushes.

Hygiene Station Project

Many students at J Andrew Morrow come to school with little knowledge of basic hygiene practices due to a lack of guidance and practice of proper hygiene within their homes. These students also lack access to a daily shower/bath, hygiene essentials like shampoo and soap or clean clothing. This often leads to students coming to school feeling uncomfortable around their peers, which can cause low self-esteem and low self-confidence. Moreover, personal hygiene is more important than ever in current times as we move through the COVID pandemic as practicing basic hygiene habits are crucial in preventing the spread of infectious disease. The Hygiene Station would be a safe place in the

school for students to get cleaned up, learn appropriate hygiene habits, and feel confident in themselves. The earlier we can instill good hygiene habits in students the more confident they will be in themselves as they move through their school years and into puberty.

The Hygiene Station Project will bring a space to J Andrew Morrow for students to learn and maintain basic hygiene habits. This space would include a shower, towels, shampoo, conditioner, soap, and washcloths that would allow students to be able to learn to clean themselves properly. Additionally, students would receive instruction on how to brush their teeth along with being provided a toothbrush and toothpaste. The Hygiene Station would also include instructions and guidance for students on how to use the Hygiene Station provided by their School Guidance Counselor or School Social Worker.

This project is being partially funded by the Towanda Education Foundation through the Teacher Venture Grant Program.

Instruments for the Economically Disadvantaged

A big thank you from the elementary band program to the Towanda Education Foundation Venture Grant Program! Each year the elementary music department has been the recipient of a perpetual grant that provides musical instruments to the band's equipment inventory. This inventory has been necessary in that it offers students who are economically challenged the opportunity to participate in the instrumental music program. The cost of acquiring a quality functioning instrument can be astronomical and has been an obstacle for those students who do not have the resources to make such a purchase. This year, the grant secured the purchase of two clarinets and one flute, which will help sustain our inventory for both current and future use.

Educational Improvement Tax Credit (EITC)

Four projects will receive funding this year thanks to the generous donation from Citizens and Northern Bank (C&N), First Citizens Community Bank and UPMC. C&N donated \$18,000, First Citizens Community Bank donated \$11,000 and UPMC donated \$1,000 to the Foundation through a state program called the Educational Improvement Tax Credit (EITC). EITC provides eligible Pennsylvania businesses with the opportunity to receive a tax credit on certain PA taxes by donating to Educational Improvement Organizations, such as the Towanda Education Foundation for approved educational programs. Currently, four projects have been approved through the Foundation by the state; Science & Technology with Radio Controlled Cars, Life

Information on how a business can participate in the EITC program can be provided by calling Brian Driscoll with the Towanda Education Foundation at (570) 265-9154 or emailing foundation@tsd.k12.pa.us.

Thank you C&N Bank for your continued support to the Towanda Education Foundation through the EITC (Educational Improvement Tax Credit) program!

Science in Motion: Radio Controlled Learning

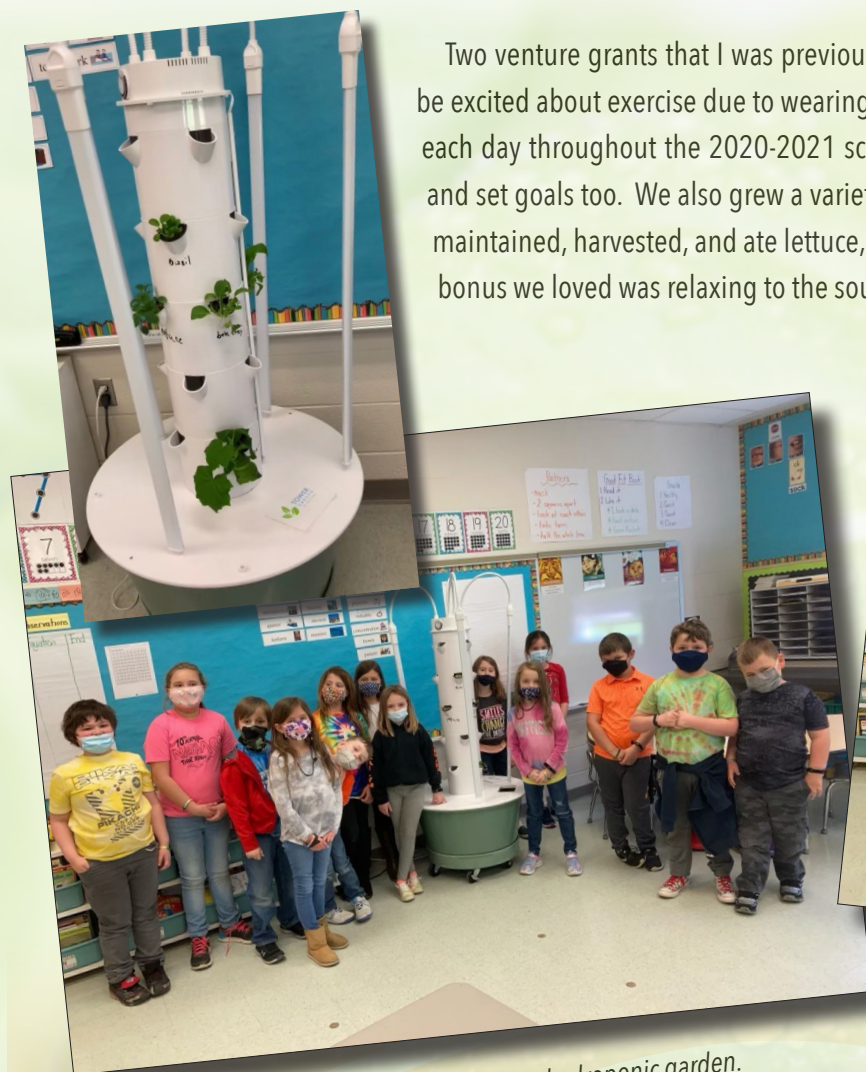

Thanks to the support from the Foundation and other local businesses, Science in Motion, Radio Controlled Learning has been an ongoing part of Science, Technology, and Society class (AKA: Automotive Technology) for the past several years. In this class the students use battery powered radio-controlled cars to learn about automotive-related technology, and the automobile in general. The overall goal is to provide students with a better understanding of how an automobile works by using the much smaller 1/10th scale radio-controlled cars and trucks as we do not have the facilities for full-sized vehicles.

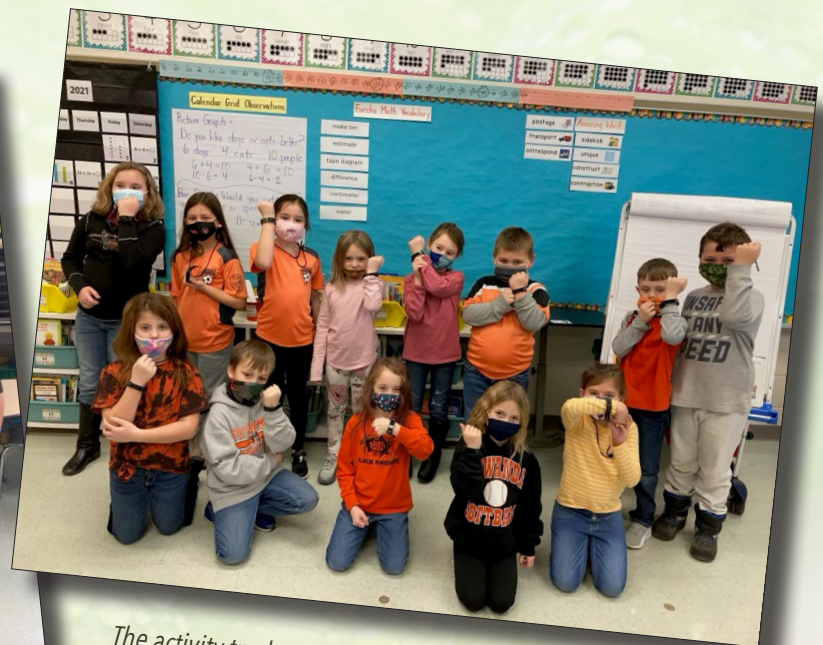

Unfortunately, even though the vehicles themselves are 1/10th scale, many of the parts do not cost 1/10th of the price. Therefore, much of the grant funds provided each year are used for repair and maintenance on the 16 radio-controlled vehicles we use and maintain. Much like a normal automobile, radio-controlled vehicles need things like tires, batteries, motors, computers, and various suspension and steering parts to function. Also, like normal automobiles, typically these parts do not last forever, and they can break/fail at any time. It is because of the Education Foundation that we have been able to provide this unique learning experience to our students.

Hydroponic Garden and Activity Tracker Venture Grants in Full-Swing!

Two venture grants that I was previously awarded are still in full swing! My second graders continue to be excited about exercise due to wearing their activity monitors. They kept track of and recorded their steps each day throughout the 2020-2021 school year. The data they collected was used to compare numbers and set goals too. We also grew a variety of vegetables and herbs in our Tower Garden! The class planted, maintained, harvested, and ate lettuce, bok choy, arugula, tomatoes, cucumbers, kale and basil. An added bonus we loved was relaxing to the sound of the hydroponic garden too!

Students stand next to their hydroponic garden.

The activity trackers help students maintain fitness goals.

Mission Statement

The Towanda Area School District Education Foundation was established in April of 2005. The purpose of the Foundation is to support the education of the children of the Towanda Area School District by promoting academic excellence at every level through the funding of educational programs, scholarships, student activities and improvements for the school. The goal of the Foundation is to involve as many alumni as possible. Your support is greatly appreciated!

Auditorium Seats

Honor a loved one!

See their name engraved on a nameplate.

Make their memory last a lifetime!!!

www.tasdfoundation.org

The seats are located in the new auditorium at the high school. Complete the Purchase Form and Notification Form from the district web site, if applicable, and send to 410 State Street, Towanda PA, 18848. Cost \$100. If you have questions, call Brian Driscoll at 570-265-9154 or email foundation@tsd.k12.pa.us.

Planning a Class

Reunion this Year?

Contact the foundation and let us help. We can assist you with planning, provide you with a class list (and addresses, if your class is already registered with the foundation), and give tours of the high school on the day of your reunion. Contact us at foundation@tsd.k12.pa.us or call Brian Driscoll at 570-265-9154 and we'll help get you started!
